

Next Phase Partners for Digital Success. We collaborate with federal, state, and local agencies to deliver digital experiences that work seamlessly from day one. Our proven approach minimizes risk and accelerates results, moving services smoothly from prototype to production. With expertise in human-centered design, large-scale data interoperability, and systems modernization, we empower agencies to become digital-first and achieve their mission with confidence. **Next Phase is an SBA Certified 8(a) and WOSB. Top Secret Facility Clearance.**

CORE CAPABILITIES

Data Services

CIO & CDO Assessment and Advisory Services, Data Modernization, Data Governance, Advanced Data Management: Lake, Mesh, Fabric, Warehouse, Enterprise Data Catalogs, Graphical Information Systems, Geospatial Services (Esri/ARCGIS), Data Quality, Self-service Enablement, Data Product Curation, Data Fusion
